VOLUME 124 . . . *JANUARY—JUNE*, 1940

Jan. 4 ..... 1– 55
Jan. 11 ..... 56– 72
Jan. 18 73–128
Jan. 25 129–142
Feb. 1 143–198
Feb. 8 199–212
Feb. 15 213–282
Feb. 22 283–294
Feb. 29 295–340
Mar. 7 341–354
Mar. 14 355–408
Mar. 21 409–422
Mar. 28 423–470
Apr. 4 471–482
Apr. 11 483–546
Apr. 18 547–560
Apr. 25 561–610
May 2 611–624
May 9 625–680
May 16 681–694
May 23 695–752
May 30 753–766
June 6 767–822
June 13 823–834
June 20 835–930
June 27 931–942

A

ACOUSTICS
Making walls sound-proof. Michael Rettinger *723

AERONAUTICS
Airplanes:
Expansion of factories necessary for more airplanes n695, n767
Airports:
Army and Navy airbases aided in new defense program n825
Corpus Christi contracts awarded n835
Jacksonville Navy air base in construction *464
North Beach airport has a big fire ... n*361
North Beach airport; planning, laying out the field, major structures. Brehon Somervell *453, e433
Philadelphia opens airport n*839
Washington, D. C., airport being constructed n*68, n*201
Will be needed n777
Canada:
Airbase grading contracts on new basis n839
New York airlines terminal n*484

AIR CONDITIONING
Job-made air conditioners for workers homes 337
American Concrete Institute:
Chicago meeting n346
American Engineering Council:
Washington meeting n73
American Institute of Architects:
War preparedness aid planned n754
American Institute of Consulting Engineers:
New York meeting n130
American Railway Engineering Assn.:
Chicago convention n409
American Road Builders Association:
Chicago convention n*204
Road show at Chicago n145
Washington, D. C., meeting n*687
American Shore & Beach Preservation Assn.:
Washington meeting n77
American Society of Civil Engineers:
Arizona engineers to study salaries n147
Honorary members n*136
Kansas City meeting n561
Myddelton cup presented by Institution of Civil Engineers n*143
New York meeting n129
Washington chapter meets n472
American Water Works Association:
Cuban Section formed n754
Kansas City meeting and Waterworks Show n*611
New Jersey section discusses recreational use of public water sheds n217
Waterworks Daily published during the convention n*611
American Welding Society:
Washington Chapter arranges courses in welding n143

AQUEDUCTS
Colorado aqueduct:
Water softening plant in construction. 524
Delaware river aqueduct (New York City):
Design and construction. C. M. Clark. pt 1 *513; pt 2 *584; pt 3 *656; pt 4 *797
Section holed through n489
Correction n130, n289, n*613
Tunneling records n79
Los Angeles aqueduct:
Maintenance of the aqueduct for 26 years *784
Newark aqueduct tunnel (unit prices) ... 834
Quabbin aqueduct (Boston) pipe—correction 81
Plugs for aqueduct testing formed from steel plates. S. M. Dore *330
Architectural schools to be accredited by national board n699
Associated Equipment Distributor meeting. n935
Associated General Contractors:
Contractors' dues case did not involve A. G. C. n824
Memphis convention n*214; n*286
Milwaukee meeting n681
New Orleans chapter fined in PWA inquiry n77
Association of Highway Officials of the North Atlantic States:
Atlantic City meeting n283
Association of New York State Highway Engineers:
Rochester convention n476
Auditoriums:
Buffalo auditorium n*2
Duke University's new gymnasium. A. C. Lee *376

AWARDS
Goodell prize winners 1933-1940 ..... n*614
Modern Pioneer awards made .. n*298, n*342

B

Beams:
Continuous beam deflection. Robins Fleming ..... l 80
Long laminated timber cantilever tester n*489
Bentonite stops sewer leakage. E. C. Hallock 39
Blasting:
Washington, D. C. building dynamited to demolish building n*426

BONDS
Des Moines exceeds debt limit of new classification of bonds n487
Kansas City bond fund diversion revealed n423

BOOK REVIEWS
A.S.T.M. standards 1939 606
Brick engineering. Plummer & Reardon 743
Building estimator's reference book and vest pocket estimator. F. R. Walker. 864
Business methods in the building field. Schobinger & Lackey 743
Construction estimates and costs. H. E. Pulver 468
Engineers and engineering in the Renaissance. W. B. Parsons 338
Grants-in-aid under the Public Works Administration. Kerwin Williams ... 606
Highway costs and motor vehicle payments in Mass., Conn. and R. I. C. B. Breed 743
Influence lines. D. S. Stewart 339
Legal aspects of engineering. W. C. Sadler 743
Magic motorways. Norman Bel Geddes. 744
Municipal yearbook. Ridley & Nolting .. 743
Ohio bridge. H. R. Stevens 606
Procedure handbook of arc-welding design 864
Public aids to transportation 743
Public Works engineer's year book, 1940 744
Reinforced concrete design handbook ... 468
Soil mechanics and foundations. Plummer & Dore 864
Surveying and boundaries. F. E. Clark. 339
Twenty-five years of service, 1914-1939 864
Wage rate laws on public works 606
Water quality and treatment manual ... 744
Writing the technical report. J. R. Nelson 338
Boston Society of Civil Engineers:
Election of officers n*480
Bowman, Waldo G. new ENR editor n1

BRIDGE ACCIDENTS AND FAILURES
California flood plays odd trick on viaduct footings n*427
Hidalgo, Tex. bridge failure causes pontoon bridge to be built *132
Jobs on old bridges. F. P. Wilmer .... l 431
Kansas City bridge wrecked by fire n*562, e570
North Carolina bridge collapses due to ice jam n188
San Joaquin River bridge collapses n*932
Wright Memorial bridge, N. C. damaged by barge n298, to be repaired n351
Bridge construction:
Allocation of bridge costs changed in bill n829, n932, e842
Multiple gutter discharge *337

BRIDGE DESIGN
Advances in highway bridge design noted at Structural Engineers' Association .. n200
American Institute of Steel Construction makes awards for year's beautiful bridges n299, n*836
Bridges and buildings in 1939. W. G. Bowman *235
Dangerous openings in bridge railing protected by bars *809
Tied arches to span the Mississippi in Rock Island bridge *366

BRIDGES
Akron:
Viaduct remodeling n*3
Alabama Bridge Commission held constitutional n683
Arkansas's last toll bridges to be bought n357
Baton Rouge, La.:
Main trusses completed n*612
Brisbane, Australia:
Story bridge nearly completed n*296
California:
Offers to buy private toll bridges n682
Railway skewed overpass saves with Correction 703
unique framing *447
Cheboygan, Mich.:
Bascule bridge construction (unit prices) 942
Chicago:
Canal St. bridge allotment 28
Railway underpass — holes pre-bored for falsework *654
Cleveland:
Bridge approach (unit prices) 71
Main Ave. bridge and lakefront freeway speeds traffic *494
Ninth St. bridge—welded pipe and plate railing *337
Detroit:
Korte Avenue bridge to be rebuilt (unit prices) 352
Underpass for railway (unit prices) ... 421
Germany:
Pre-stressed 108-ft. girders in bridge. *452
Greenville, Miss.:
Steel erection 50 per cent complete .. n*486
Greybull, Wyo.:
Grade separation viaduct n*77
Guntersville, Ala.:
Continuity adjustments. Erwin Harsch. 1 9
Hancock, Md.:
Wichert truss design on Potomac bridge *791
Hartford, Conn.:
Proposed new bridge n*347
Hidalgo, Tex.:
Pontoon bridge replaces collapsed bridge *132
Highway bridges under wartime loads. G. S. Paxson *98
Hutsonville, Ill.:
Self-anchored I-girder suspension bridge. C. H. Gronquist *849

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Kettle Falls bridge:
Piers and abutments (unit prices)... 610
London:
Waterloo bridge girders. H. M. Hadley ... l 81
Los Angeles:
Dayton Avenue bridge uses safety net. *466
Railroad crossing bridge... n*351
Ludlow Ferry, Md.:
Foundations of long steel H-piles... *306, e304
Major projects of 1939... *266
Medway, Me.:
Highway bridge (unit prices)... 188
Merritt Parkway, Conn.:
Precast concrete slabs face bridge abutments. L. G. Sumner... *37
Miami:
Bascule bridge... n*133
Narragansett Bay, R. I.:
Jamestown bridge substructure built in fast time... *181
Replaces nation's oldest ferry system. n*755
Natchez, Miss.:
Speed in construction... n*696
Newark:
Passaic River construction superstructure (unit prices)... 294
New Haven:
Lower a 160 ton load. W. H. Mueser. l *151
New Orleans:
Viaduct in construction... n*698
New York City:
Lincoln Tunnel approach at New Jersey side is six-lane steel viaduct. C. W. Dunham... *311
Whitestone—three level separation... n*59
Niagara Falls bridge:
Construction begins... n627
Proposed bridge... n*485
Ohio covered wooden bridges being replaced... n67
Ohio State Bridge Commission Act upheld by court... n218
Owensboro, Ky.:
Falsework pulled up when ice threatened... n*768
Toll bridge advances... n*62
Perth Amboy:
Raritan River piers near completion. n*219
Raritan River bridge has largest girder... n*419
Pit River Bridge, Calif.:
Piers and abutments (unit prices)... 70
Superstructure of bridge (unit prices). 400
World's tallest piers... n*139
Portland, Ore.:
Redecking an old bridge with treated timber... *20
Portsmouth, Ohio:
Suspension bridge recabled after 12 years service... *593, e571
Red River bridge, Ark.:
Bridge fund act held unconstitutional. n485
Rock Island, Ill. bridge:
Tied arches to span the Mississippi.. *366
St. Louis bridge planned... n300
San Francisco-Golden Gate bridge:
Scaffolds designed for permanent use. R. G. Cone... *582
Statue to engineer prevented by court order... n143
Tunnel as part of new approach... n*841
San Francisco-Oakland Bay bridge:
Landscaping the approaches... 170
Tolls reduced again... n691
San Mateo bridge, Calif.:
Toll bridge refinancing condemned by SEC... n483
Seattle:
Pontoons of concrete for bridge found to be water-tight... *162
Selma, Ala.:
Construction of bridge... n*756
Shasta Dam railway bridge derrick wrecked... n*773
Tacoma, Wash.:
Narrows bridge cable spinning begun. n145
Narrows bridge engineers inspect work... n*216
Narrows bridge uses plywood forms for concrete pier... *379
Tampa Bay bridge to start soon... n553
Twin Falls-Jerome bridge to be bought by Idaho... n562
War damage to bridges. Lt. Comdr. F. A. Rossell... l 303
West Virginia highway bridge (unit prices)... 765
Westchester County parkway bridge to be replaced... n*300
Building accidents and failures:
Albany, Ga. pulls down walls of tornado-wrecked buildings... n*289
Georgia tornado destroys buildings... n*213

BUILDING CONSTRUCTION

Canada's War Supply Board has big building program... n201
Concrete building tolerances. J. R. Nichols... 387
Census of construction gets under way.. n3
Costs facts on PWA-financed public buildings in eight states (table)... 918
Costs of construction... 869-930
Department of Justice indicts illegal practices in building industry... n62
Detroit indictments in federal building inquiry... n425
ENR construction and building costs (charts & table)... 257
Federal building cost index... 924
Federal grand jury starts probe of Missouri work... n129
Federal investigation continues in Chicago, New Orleans... n76, e83
Ford Motor Co. shop shows floor clear of piping... *504
New York's electrical union indicted... n477
Municipal building costs — New York City... 914
Permits gain 24% in 1939 (chart)... 254
Senate increases cost limit on WPA building projects... n841
Two court decisions made in building inquiry... n477
Welded building construction costs. G. D. Fish... 920

BUILDING DEMOLITION

Chicago's Great Northern Hotel wrecking operations... *648
Washington, D. C. building dynamited to demolish building... n*426

BUILDING DESIGN

Bridges and buildings in 1939. W. G. Bowman... *235
Earthquake designed houses survive Imperial Valley shocks... n837
Wind design procedure (A.S.C.E. meeting)... 175
Building Design see also Structural Design
Building laws and regulations:
Spokane building code upheld in hospital case... n485
20,000 lb. unit stress limit in steel construction widely used according to survey... n299
Building maintenance:
Inspecting and maintaining building walls and roofs... 336
Costs of maintaining college buildings.. 378

BUILDINGS

Aluminum Co. plans big building program... n209
Aurora, Ill.:
Welded arch bent framing for road machinery factory, n428, correction 569
Buffalo:
Auditorium being erected... n*2
Harlem Valley State Hospital—contractor granted fund for extra work... n361
Charlotte, N. C.:
Duke University's new gymnasium. A. C. Lee... *376
Chicago:
Great Northern Hotel wrecking operations... *648, e634
Skilsaw, Inc. combines office and factory in connected separate units... *588
Columbus:
Cummins Engine Co. laboratory contracts awarded... n*4
Dearborn, Mich.:
Ford Motor Co. shop clears the floor of building services... *504
Fitchburg, Mass.:
Simonds Saw & Steel uses high-level lighting in windowless factory... 180
Great Britain:
Hut of sawdust and cement... n*697
Houston, Tex.:
City hall in construction... n*138
Lynchburg, Va.:
Stadium construction dictated by soil tests. Gavin Hadden... *590
Major projects in 1939... *270
Memphis:
Powder plant owned by allies to be built... n833
Montreal, Canada:
St. Joseph's Basilica has thin shell concrete dome... *184
Mt. Pleasant, Mich.:
Garage for highway department... n*6
New Haven:
Yale University buildings are maintained by annual inspection... 336
New Orleans:
Charity Hospital settlement... 510
New York City:
Aetna Casualty & Surety building is supported by mat and piles.. n*628, n682
Airlines terminal in construction... n*484
Borough Hall, Queens, bidding trouble due to contract limits... n351
Tiffany Building erected with three 106-ton trusses... *22
Peoria, Ill.:
Keystone Steel & Wire's new office.. n*78
Pittsburgh:
Costs of a welded mill building... 158
Richmond, Va.:
Medical College hospital near completion... n*487
San Antonio, Tex.:
Stadium for schools planned... n*146
Sturgeon Bay, Wis.:
Highway equipment buildings with laminated timber arches. A. S. Friedman... *847
Washington, D. C.:
Bureau of Census building... n*144
Office building privately-owned... n*565
Parking structure screened with openwork concrete slabs... *803, e776
War Department building bids requested... n67
Winthrop, Wash.:
Hatchery buildings (unit prices)... 752
Buildings see also Foundations
Bunker, John W. M. appointed dean of graduate school of M.I.T... n*482
Bureau of Contract Information:
W. D. Dean appointed manager... n698

C

CABLES
Adjustable dead-man for guy wires. Elton Sterrett... *43
Portsmouth, Ohio, suspension bridge recabled after 12 years service... *593
Sheave design and wire rope economy. F. L. Spangler... *15
Cableways:
Fraser River, B. C. transporter ferry... *715

CAISSONS
Long steel H-piles and floating caissons for Potomac River bridge piers... *306
Manholes of precast concrete installed by caisson method... *441

CANALS
Alamo Canal wrecked by earthquake... n*759
Albert Canal, Belgium:
Distinctive features of canal... *729
All-American Canal:
Rubber waterstops. C. P. Vetter... *159
Section of canal serves earthquake area... n*768
Allegheny River Lock No. 5 guide wall extension (unit prices)... 812
Conchas Canal:
Earthwork, tunnels and structures (unit prices)... 400
Contra Costa Canal lining, structures (unit prices)... 282
Cotton lined canal shows no noticeable deterioration. E. J. Baird... l 18
Erie Barge Canal dredging (unit prices) 282
Lake Erie-Ohio River Canal condemned by I.C.C... n143
Lake Okeechobee:
Building new type of lock gate... 465
New locks for navigation canals... n*474
Major projects of 1939... *263
Nicaragua Canal:
Nicaragua and Costa Rica sign treaty. n465
Panama Canal:
Lock appropriation... n295, n483, n565
Pinopolis dikes and diversion canal, S. C. (unit prices)... 70
Rio Grande diversion canal at Rincon... *662, e635
Upper Mississippi canalization completed... *550

CEMENT
Central Valley work yields record low bids... n411
Mixing cement with acid mine water.. 589
Wages for cement industry determined by Department of Labor... n215
Census:
Construction census gets under way... n3
Chicago Plan Commission holds first meeting... n835
Chronological summary of engineering news events of 1939... 220

CITIES
Municipal progress in 1939. W. W. DeBerard... *229
Municipal reports need improving... 592
Clark, Charles M., new head of New York water supply... n*552

COFFERDAMS
Jamestown Bridge, R. I. substructure built in fast time... *181
New Haven bridge—lowering a 160 ton load. W. H. Mueser... l *151

CONCRETE
Absorptive form lining improves concrete lining... *40
Aggregate sorting machine. W. M. Dunagan... 386
Chicago:
Ready mix concrete to be investigated... n355
Tries to break union ban on transit-mixed concrete... n696
Clearance card for concrete placement.. *467
Comparison of mix designs. Finkbiner, Harra & White... *855
Compressed concrete. R. E. Dill... l *633
Detecting unsound chert in aggregates. C. E. Wuerpel... *652
Expansion of concrete influenced by composition. T. E. Stanton, Jr... *171, e152
Forms:
Narrows Bridge, Tacoma, uses plywood forms for concrete piers... *379
Frost-resistant concrete. R. B. Young.. 385
Merritt Parkway, Conn. bridge abutments of precast concrete slabs. L. G. Sumner... *37
Pensacola Dam constructed of four sizes of aggregates. M. G. Fuller... *154
Rainproof walls. Copeland & Carlson.. 386
Ready mixed concrete progress. Foster, Knopel & Whitten, Thomson... 387
Rusted reinforcement. H. J. Gilkey... l 151
Seawater and concrete. H. H. Hadley.. l 363
Tremie concreting scheme simplifies foundation job. W. F. Way... *19
Vibrated vs. tamped concrete. Washa, Wendt... 386
Vibrated concrete pavement. F. V. Raegel... 316
Washington parking structure screened with openwork concrete slabs.. *803, e776

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

CONDUITS
Toledo's water supply from Lake Erie controlled by surge devices. Hansen & Langdon *523
Connecticut Society of Civil Engineers: Hartford meeting n425

CONSTRUCTION
Advance in field practice. H. W. Richardson *247
All construction in U. S. 1925-1939 (table) 250
Boeckh index of construction costs..... 884
Canada curtails construction.....n767
Census of construction gets under way.. n3
Chicago stages building week.....n699
Classes and location of construction reported by E.N.R. (charts)..... 253
Construction per capita (E.N.R. reports) 251
Cost of financing (charts & tables).... 886
Costs of construction.....869-930
Engineering construction reported in 1939 by ENR (table)..... 252
ENR construction volume, costs, index numbers, etc., Jan. 4 adv. 23, Feb. 1 adv. 29, 355, Apr. 11 adv. 51, May 9 adv. 51, June 6 adv..... 35
ENR engineering construction contracts 4, 69, 79, 140, 149, 210, 218, 293, 301, 353, 362, 420, 429, 481, 488, 558, 568, 622, 630, 692, 701, 764, 772, 832, 840, 941
Financing for construction in 1939 (charts & table)..... 255
Mexican building construction slumps..n773
What's ahead in construction. Abel Wolman *506

CONSTRUCTION EQUIPMENT
A.R.B.A. show in Chicago — equipment and materials special section.....Feb. 29
Bulldozer spreads stone on dam slopes..*604
Concrete aggregate sorting machine. W. M. Dunagan *386
Concrete mixers—dust and water-proof motors for mixers. G. H. Hall.....*501
Concrete paving spreaders. Llon Gardiner 316
Cranes with special motors and controls. G. H. Hall.....*805
Derrick wrecked on Shasta railroad work n*773
Dredge, hydraulic, operation cost reduced by speed control. B. M. Mills..*598
Drills cooled with improvised aftercooler. K. N. Banthin.....*742
Electric drive for ordinary jobs. G. H. Hall....pt. 1 *164, pt. 2 *326, pt. 3 *442, pt. 4 *501, pt. 5 *659, pt. 6 *805
Equipment rental prices in five areas... 924
Gravel plant, largest portable.....n*548
Headlights for spotlights. M. T. Pate..*809
Hoists for cable-operated scrapers. G. H. Hall *659
Measuring box for loose materials. H. D. Hurley *742
Piledriver with leads 135 ft. long.....*848
Scaffold, rotating *466
Scaffolds designed for permanent use on Golden Gate Bridge. R. G. Cone.....*582
Scraper and sheepsfoot rollers compact dry fill at Hansen Dam.....*497
Sheave design and wire rope economy. F. L. Spangler.....*15
Tongs, three-pronged, handle rock..*466
Vibrator compacts backfill. John Girand 604
Wire rope for construction.....*733-740

CONSTRUCTION MATERIALS
Bureau of Standards study of materials for low-cost housing near an end....n297
Materials and labor prices..... 52, 192, 402, 540, 674, 816, 890
Output of various construction materials for ten year period (table)..... 256
Prices for construction material 1920-1939 (charts) 258, 889

CONTRACTORS
Bids:
Competitive bidding e493
Identical bidding discussed by Temporary National Economic Committee n58
Pennsylvania investigation of Norristown State Hospital dropped.....n213
Buffalo contractor granted fund for extra work on Harlem Valley State Hospital n361
Cassopolis, Mich. sued by sewer contractor n7
Dues case did not involve A.G.C.....n324
New York contractors ask war risk protection n835
Pity the poor contractor..... 303
Wisconsin court holds contractors' dues illegal n754

CONTRACTS
A.G.C. to sell contracting in fight against day labor.....n681
Army and Navy plan to negotiate cost-plus contracts n833
Caution in contracting is war's warning. R. F. Proctor..... 808
Emergency contracts. R. E. Archibald. l 80
Engineering construction reported in 1939 by E.N.R. (table)..... 252
ENR engineering construction contracts 4, 69, 79, 140, 149, 210, 218, 293, 301, 353, 362, 420, 429, 481, 488, 558, 568, 622, 630, 692, 701, 764, 772, 832, 840, 941
Industrial building construction by industries 1926-1939 (table)..... 254
When and how to protest. J. W. Gaskins 373, e364
Cowper, J. W. honored by long-time employees n*471
Cranford, F. L., subway builder, dies.....n476

CULVERTS
Memphis constructs culverts for mosquito control *602
Staking layout system and check. C. L. Rodgers *605

D

DAMS
Arkabutla Dam:
Rolled earth dam to be constructed..n770
Austin Dam:
Colorado River floods to be controlled by four dams. Clarence McDonough *793
Rebuilding the dam. Clarence McDonough *344
Bartlett Dam:
Tribute to a construction town. Majorie Ellis *580
Blackwater Dam, N. H.:
Construction of dam (unit prices) 752
Blue Mountain Dam:
Outlet works (unit prices)..... 834
Boulder Dam:
Alleged plot to blow up dam..... n76
Federal operation sought for dam.... n59
Buchanan Dam:
Colorado River floods to be controlled by four dams. Clarence McDonough *793
Caddoa Dam:
Scraper brigade to attack dam.....n*410
Cherokee Dam:
Proposed construction n931
Chickamauga Dam:
Turbine runner for third unit.....n*549
Coulter Shoals see Fort Loudoun Dam
Cranston Pond Dam, R. I.:
Small dam with a fish ladder. C. A. Frye *726
Damsite surveying by seismograph. A. E. Wood *438
Deer Creek Dam:
Work progresses n*74
Denison Dam:
Construction of dam, Texas and Oklahoma (unit prices)..... 812
Oklahoma suit thrown out by court..n213
Fern Ridge Dam, Oregon:
Earth fill dam construction (unit prices) 470
Flood control project in 1939.....*264
Fort Loudoun Dam:
TVA names project heretofore known as Coulter Shoals.....n700
Fort Peck Dam:
Appropriations voted for power.....n565
Friant Dam:
Excavation in operation.....n*425
Rock fault delays concreting.....n484
Fullerton Dam, Calif.:
Construction (unit prices)..... 693
Gilbertsville see Kentucky Dam
Glenville Dam approved.....n833
Grand Coulee Dam:
Appropriation approved n301
Clearance card for concrete placement *467
Concreting at dam in last big season.n*621
Decision of the U. S. Court of Claims.. 374
First water flows over dam.....n*824
Highways to be flooded will be replaced n770
Huge casting for turbine.....*147
Inspecting drill holes.....n*424
Low dam contractor loses in U. S. Court of Claims..... n75
Making a water tunnel entrance under Snow Lake surface for fish hatchery *371
Spillway concrete forms improved by absorptive lining *40
Grand River Dam Authority:
T. P. Clonts made manager.....n213
Contract to sell power signed.....n355
Public Works Administration grants additional time n57
Hansen Dam:
Bulldozer spreads stone on slopes....*604
Dry fill dam compacted with scrapers *497, e492
Work is well advanced.....n*564
Hiwassee Dam:
Rotor for generating unit.....n*473
Huntington Lake Reservoir dams receive shotcrete protection *826
Imperial Dam:
Rubber waterstops for dams. C. P. Vetter *159
Indian Rock Dam (unit prices)..... 141
Inks Dam:
Colorado River floods to be controlled by four dams. Clarence McDonough.*793
Kanopolis Dam:
Bids for the dam to be received.....n*618
Kentucky Dam (Gilbertsville):
Concrete placement soon to start....n*556
Peg model reproduces damsite borings. Lynn & Rhoades.....*372
Kings River Dam:
Congress studies project.....n285
Kingsley Dam:
Hydraulic fill to be continued.....n*357
Marshall Ford Dam:
Bids asked for.....n767
Colorado River floods to be controlled by four dams. Clarence McDonough.*793
Miami Conservancy District:
Shell material in dams. C. H. Elfert.*863
Mississippi River:
Canalization of Upper Mississippi completed *550
Mud Mountain Dam:
Dangerous work n*135
Nantahala Dam: approved.....n833
Nimrod Dam, Ark.:
Construction of dam for flood control.n482
Pennsylvania flood control dam approved n825
Pensacola Dam:
Concreting the dam. M. G. Fuller..*154
Construction in progress.....n*700
Oklahoma governor loses in fight....n621
Oklahoma threatens project unless payment is made for roads.....n299
Pinopolis Dam:
Construction operations *710
Preview of Santee Cooper project..... 375
Santee-Cooper power and navigation project *706
Prado Dam:
Construction quantities 500
Tongs for rock handling.....*466
Rome, Ga. dam recommended by engineers n472
Ross Dam:
Concrete work completed.....n210
First section of dam completed.n553, n*629
Ruck-a-Chucky Dam:
Contract cancelled due to slide.....n838
Santee Dam, S. C. (Santee-Cooper Project):
Labor troubles settled..... n73
Power and navigation project.....*706
Sepulveda Dam:
Construction (unit prices)..... 188
Shasta Dam:
Concreting preparations n*684
Dam flooded out.....n*343
Floods damage bridge.....n*356
Job-made air conditioners for workers' homes 337
Shrinkage values in embankments near the dam..... 388
Yuba Dam:
Constant angle dam. L. B. Chambers .....l 491
Dikes:
Pinopolis dikes and diversion canal, S. C. (unit prices)..... 70
Drafting:
Suggestions for drafting work in waterworks office 451

DREDGES AND DREDGING
Detroit-Fox Creek dredging (unit prices) 352
Hydraulic dredge operation cost reduced by speed control. B. M. Mills.....*598
Suction dredge performance. R. L. Vaughn *322
Valuable dredging data. A. M. Shaw..l 491
Drydocks:
New York City recommended for drydock n700

E

EARTH FILL
Cut-and-fill yardages equal where compaction is effective..... 388
Hansen Dam of dry fill compacted with scraper and sheepsfoot rollers.....*497
Lynchburg stadium of cut and fill construction controlled by soil tests. Gavin Hadden *590
Vibrator compacts backfill. John Girand 604

EARTHQUAKES
All-American Canal serves earthquake area n768
Antiseismic, not aseismatic. A. Floris..l 302
"Aseismic" wrongly used. H. D. Dewell. l 81
Business for structural engineers..... e82
Imperial Valley, Calif.:
Earthquake damage.....n*695, n*759
Earthquake damages reported at meeting of Structural Engineers Assn....n837
Earthquakes did not hurt well-built schools n932
Massachusetts Institute of Technology develops new earthquake analyzer..n*769
Turkey disturbed by earthquake..... n3
Electric motors:
Electric drive for ordinary jobs. G. H. Hall....pt. 1 *164, pt. 2 *326, pt. 3 *442, pt. 4 *501, pt. 5 *659, pt. 6 *805
Electrical railways:
New York City-Ninth Avenue and other elevated lines to come down.....n*938
Electrical transmission:
Portable power distribution center. E. N. Banthin *337
Engineering Institute of Canada:
T. H. Hogg is new president.....n*215
Toronto meeting n284, e304
Engineering News Record:
Goodell prize winners 1933-1940.....n*614

ENGINEERS
Arizona engineers continue fight for higher salaries.....n471, n631
Articulate engineers. L. F. Buff.....l *632
Austin Company increases corps to handle industrial engineering work.....n*771

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Battle headlines recall engineers' role in last war.....n771
Bids:
Arizona engineers protest competitive fee bidding n427
Flagstaff, Ariz. waterworks system bidding is protested by engineers...n626
Defense of engineers. Joseph Kemper.. 1 81
Engineer-architect census begun for defense construction n823
Engineer internships. J. R. Parker.... 1 80
Engineering fame. J. F. Miller.....1 490
Engineering insignia. W. E. Kirkendall 1 775
Engineers Club of Memphis. J. W. Pumphrey 1 363

Explosives:
Canada to build large plant in Ontario.n409

EXPOSITIONS

New York World's Fair:
Foundations of the Fair. Freeman, Glick & Gray..... 174
Trylon gets new coat for 1940 fair....n*412
San Francisco-Golden Gate Exposition:
Fish in lagoon resist chemical poisoning effects 522

F

Federal Works Agency:
Appropriation bill passed by Senate.....n213
Budget forecast of expenditures.....n298
Defense program is keyed on FWA.....n767
Still in experimental stage..... n4
Federation of Architects, Engineers, Chemists and Technicians:
Labor relations—Marcel Scherer.....1 703
Meet in New York.....n773
Federation of Sewage Works Associations—reorganization plan n933
Ferries—Fraser River, B. C. cableway ferry *715
Ferry boat for railway cars added to Lake Michigan fleet 505
Fish hatchery—making a water tunnel entrance below Snow Lake surface, Grand Coulee Dam *371
Fish in San Francisco lagoon resist chemical poisoning effects..... 522
Fishway:
Cranston Pond Dam, R. I. small dam with a fish ladder. C. A. Frye.....*726

FLOODS AND FLOOD PROTECTION

California floods n*341
Cincinnati suit would prevent floodwall work n410
Cities move to escape floods.....n201, 370
Colorado River floods to be controlled by Austin, Buchanan, Inks and Marshall Ford Dams. Clarence McDonough.... *793, e776
Columbia River flood control work bids asked n299
Flood control progress in 1939. V. T. Boughton *231
Flood control projects in 1939.....*264
Floods do little damage.....n471
Hartford improves its flood defenses....n*411
House flood control bill includes dams and local works.....n625
Huntington, W. Va. floodgates and walls. n*691
Miami Conservancy District:
Shell material in dams. C. H. Eiffert..*863
Nebraska damaged by floods.....n833
Pennsylvania flood control dam approved n823
Tell City, Ind. pumping plants and sewers (unit prices)..... 623

FOUNDATIONS

Building foundation design. Prof. A. Casagrande 174
Chicago's subway construction causes demolition of buildings resting on floating foundations *648
Design of pile foundations using piles of varied lengths. H. E. Eckles.....*862
Lynchburg stadium construction dictated by soil tests. Gavin Hadden.....*590
New data on structures and foundations (A.S.C.E.) *174
Ruskin power plant, B. C. foundation given protective concrete armor placed through tremies. W. F. Way..... *19
Settlement from excavation. Karl Terzaghi 176
World's Fair foundations. Freeman, Glick & Gray..... 174

G

GARBAGE AND REFUSE DISPOSAL

Chicago garbage dump protested by Cook County n411
Detroit incinerator held nuisance.....n934
Los Angeles studies hog feeding with garbage 732
New York City—dumping board (unit prices) 294
New York City's landfills for waste disposal endorsed by health experts.446, n419
Sanitary engineering in 1939. E. J. Cleary *226
Schenectady's straight-line incinerator *177, correction H. W. Taylor.....1 431
Gates:
Detroit solved backwater gate design with hydraulic model. G. E. Hubbell..*645
Huntington, W. Va. floodgates.....n*691

GRADE CROSSINGS

New York State governor urges roads instead of grade crossings.....n423
Bonds for crossings in New York ratified n477
Columbus grade elimination (unit prices) 352
Grade separation:
Chicago grade separation under railway.n*76
Grain elevators:
Minnesota job in construction.....n*63

H

Highway accidents:
Bottom drops out of Michigan road....n*627

HIGHWAY ADMINISTRATION

Kentucky personnel to be changed.....n209
Missouri road employees ordered to avoid politics n481
Pennsylvania loses 667 highway employees n410
Seifried, C. F. now chief engineer of Wyoming n*753
Washington state highway set-up condemned n143

HIGHWAY CONSTRUCTION

Bituminous density test. W. S. Foster..*809
Brick paving. W. D. P. Warren.....n491
Computing paving areas at intersections. V. M. Wann.....1 632
Correction. R. E. Aluise..... 1 81
Fog coat seals paving. C. L. Hanson... 317
Ohio constructs pavement with monolithic concrete base and brick surface. G. J. Thormyer.....?.. *12
Pittsburgh remodels street and tripies traffic room *434
Sealing oil-mat surfaces. D. L. Cheney.*857

Alga control in reservoirs in Illinois.... 397
Cajalco Reservoir renamed Lake Mathews n828
Fells Reservoir, Mass.:
Enlarging reservoir (unit prices)..... 128
Fort Supply reservoir outlet works (unit prices) 294
Grand Rapids, Mich. reservoir collapse decreed not negligence..... n73
Huntington Lake Reservoir dams receive shotcrete protection from erosion.....*826
Michigan reservoir roof collapses..... n57
Revetments:
Missouri River revetments—CIO contracts signed by contractors.....n621
Richardson, Harold W., associate editor, moves to Chicago.....n428

RIVERS

Appropriations voted for river work....n565
Los Angeles channel improvements (unit prices) 352
Money for navigation work measured by defense needs.....n767, n838
River and harbor bill passes the Senate..n618
Rivers and harbors bill is vetoed.....n697
St. Lawrence waterway study.....n*131
Roofs and roofing:
Laminated timber arches for highway equipment buildings. A. S. Friedman.*847
St. Joseph's Basilica, Montreal, has thin shell concrete dome.....*184
Rubber waterstops for dams. C. P. Vetter.*159

S

Safety net used on Dayton River bridge at Lost Angeles *466

SANITATION

New York City flushes streets with chlorinated river water.....n*130
Record of progress in 1939. E. J. Cleary.*226
Salt Lake City uses vacuum cleaner for septic tanks. A. J. Lazenby.....*801
Wisconsin notes developments in different lines of public sanitation..... 860
Seawalls see Shore protection

SEWAGE TREATMENT

Chicago sludge sold..... 173
Cooperative sewage disposal facilities for New Jersey communities. P. A. Smith.*389
C. J. Velz.....l 569
Detroit's new sewage treatment works dedicated n*829
Fly-pest control at sewage filters..... 163
Illinois makes progress in sewerage spurred by federal aid..... 375
Indiana to have new treatment plants at Gary and Hammond..... 384
Los Angeles plans to spend $32,000,000 for handling sewage.....*315
Major projects of 1939.....*261
Milwaukee loses appeal in activated-sludge case n355, n547
Monahans, Tex. sewage plant (unit prices) 623
New Haven stores sludge gas from sewage disposal plant for fuel to run plant n*563
New Jersey Association plans for formation of a national association.....n423
Notes on sewage disposal. William Rudolfs.....44, 186, 398, 668, 810
Pueblo, Colo. sewage disposal plant coupled with irrigation. F. W. Veatch *24
Salt Lake City uses vacuum cleaner for septic tanks. A. J. Lazenby.....*801
Sludge filtration and incineration at the Buffalo and Minneapolis-St. Paul plants *393
Sludge flow in pipes..... 796
South Dakota progresses with sewage treatment 500
South Dakota sanitary board studies sewerage.....May 9, adv. 99
Toronto votes for sewage plant..... n73
Urbana-Champaign, Ill. Sanitary District manager resigns n297
What's ahead in construction. Abel Wolman *506
Winners, D. S. sewage plant..... 783

SEWERS

Bentonite stops Boyerstown, Pa. sewer leakage. E. C. Hallock..... 39
Cost data on clay sewers. Hayes & Mendelsohn *391
Costs of sewer pipe. Hayes & Mendelsohn (tables) 930
Detroit solved backwater gate design with hydraulic model. G. E. Hubbell.*645
Indianapolis to construct and repair sewers n484
Los Angeles plans to spend $32,000,000 for handling sewage.....*315
Louisville Commissioners of Sewerage to cease functioning n145
Maintenance hints for sewers.....*396
Memphis builds a big sewer in bad ground. W. B. Fowler.....*720
New Orleans—Metarie sewer project..... 510
Tell City, Ind., pumping plants and sewers (unit prices)..... 623
Testing for sewer gas in Milwaukee..... 800

SHORE PROTECTION

Brooklyn seawall (unit prices)..... 610
Coney Island boardwalk is moved inland, n*616, correction..... 702
Our shrinking America..... e82
Shotcrete placed on Huntington Lake Reservoir dams as protection from erosion *826
Slide rule devised for water calculations.. 530
Smith, Wilmer Zode, spends 50 years at Atlanta in municipal service.....n*283

SOIL MECHANICS

Damsite surveying by seismograph. A. E. Wood *438
Lynchburg stadium constructed dictated by soil tests. Gavin Hadden.....*590
Trailer laboratory speeds soil testing....*508
Spear, W. E., chief of N. Y. waterboard, dies n*472
Stadium:
Lynchburg stadium construction. Gavin Hadden *270
San Antonio school stadium planned...n*146

STEEL

Alloys and heat treatment shown by Westinghouse n200
Erosion of steel in Turkish bath building. W. & H. Eipel.....*741
Flame-cleaning steel 566
20,000 lb. unit stress limit in steel construction widely used according to survey n299

STREET TRAFFIC

Cleveland speeds traffic with new Main Ave. bridge and lakefront freeway..*494
Los Angeles' transportation needs could be met by toll parkway.....*332, e305
Municipal progress in 1939. W. W. DeBerard *229
Parking:
Meters used in 155 cities.....n484
North Carolina holds meters illegal...n841
Streets:
Municipal progress in 1939. W. W. DeBerard *229

STRUCTURAL DESIGN

Bridges and buildings in 1939. W. G. Bowman *235
Concrete building tolerances. J. R. Nichols 387
Concrete slab design. Prof. N. M. Newmark 176
Controlled-stress test of plank. W. E. Rossnagel *647
Eccentric-load formula. D. B. Hall.... *18
Fatigue tests on connection angles in railway bridges 314
Structural Engineers Association of Southern California organizes for aid in emergencies n424

SUBWAYS

Chicago:
Shield first used in 1930.....n147
Shield starts across the loop.....n*75
Tunnel driving makes record time....n471
New York City:
Seventh Avenue-Lexington and Manhattan Bronx Rapid Transit alterations (unit prices)..... 559

SURVEYS AND SURVEYING

Checking level notes. A. N. Doud.....l 430
Damsite surveying by seismograph. A. E. Wood *438
Free lot surveys made in Fort Dodge, Iowa 601
Length of parabolic curves. A. Tiggelbeck .....l 632
Louisiana coast and geodetic survey being discontinued n67
Miami, Fla. makes surveys and sets monuments. E. M. Rader..... *27
Plane table location. E. N. W. Lane....*604
Real maps of the U. S. are needed. H. W. Durham .....l 774
Registration of surveys needed in most states. Philip Kissam..... 334
Table of segments. H. C. Boardman.... l 9
TVA reservoir surveying improved by aneroid barometer with radio control. E. A. Bailey.....*719
Three-point problem. Rowe, Smith....l *150
Donovan Southworth .....l 363

T

Tanks:
Scaffold, rotating, speeds steel tank erection *466
Stamford, Conn. constructs decorative standpipe n*758

TAXATION

Arkansas seeks sales tax on housing materials n561
Indiana utilities to pay gross income tax n68
Tennessee tax valuations on utility property is upheld by Supreme Court.....n696
Temporary National Economic Committee starts investigation to decide whether technical improvements reduce opportunity for employment.....n487, n577
Tennessee Valley Authority:
National Defense Council asks for added power capacity n931
Testing machine at New Kensington laboratory goes into service.....n*360
Tibbetts, Fred H. honored by tablet set in Coyote Dam n*833

TRANSPORTATION

Chicago may combine all transit facilities n753, n770
Federal Coordinator of Transportation reports on transportation.....n547, e571

House kills Wheeler-Lea omnibus transportation bill n691
National Resources Planning Board to study transportation problem..... n548
New York City takes over rapid transit lines n824
Transport in 1939. C. S. Hill..... *238

TRUCKS

Madison control heavy trucking..... 335
Manufacturers, fleet operators and oil representatives hold truck conference n2
Minneapolis & St. Louis R.R. granted right to operate truck lines..... n485
Valve-operating truck. J. C. Detweiler.. *532

TUNNELS

Bankhead Tunnel see Mobile Tunnel
Chicago subway tunnel driving makes record time n471
Cleaning machine for tunnels..... 644
Colorado-Big Thompson:
Bids asked for first unit..... n361
Continental Divide Tunnel (unit prices) 693
Continental Divide tunnel—Job to be split up into several contracts..... n283
Colorado's Carlton Drainage Tunnel:
Driving records on rival tunnels..... n*613
New driving record made..... n547
Delaware River Aqueduct (New York City):
Design and construction. C. M. Clark pt. 1, *513; pt. 2, *584; pt. 3, *656; pt. 4, *797
Driving records on rival tunnels n*613, n634
Second section holed through..... n489
World's tunneling record..... n289
Grand Coulee Dam—making a water tunnel entrance below Snow Lake surface for fish hatchery..... *371
Memphis builds a big sewer in bad ground. W. B. Fowler..... *720
Mobile:
Bankhead tunnel opening delayed..... n835
Bankhead vehicle tunnel in construction 509
Bankhead vehicle tunnel construction details *572
Mono Craters tunnel:
Completion of tunnel ends struggle with hard driving..... 325
New York City:
Battery-Brooklyn Tunnel:
Costly but valuable..... e432
Plans for the tunnel..... n67, n*415
Promised loan n355
Lincoln Tunnel:
New Persey approach is steel viaduct. C. W. Dunham..... *311
Queens Midtown Tunnel:
Driving the tunnel..... *29
New York approaches (unit prices). 538
Toll plaza at New York, n557; correction n563
Newark aqueduct tunnel (unit prices).. 834
Pennsylvania Turnpike:
Contractor asks for more pay..... n628
Establishes record for fast tunneling. R. M. Merriman..... 1 431
First tunnel holed through..... n*145
Last tunnel holed through..... n484
Seven tunnels are being driven..... *778
San Francisco-Golden Gate tunnel as part of new approach..... n*841
Switzerland replaces Bommerstein Tunnel with new one..... 444
Typhoid:
Manteno, Ill. hospital reports typhoid again n483, n552

U

Ultra-violet rays save sulphate treatments in Los Angeles reservoirs. R. F. Goudey *525, e492
Unions see Federation of Architects, Engineers, etc. and Labor
Unit prices .....50, 70, 128, 141, 188, 282, 294, 352, 400, 421, 470, 482, 538, 559, 610, 623, 672, 693, 752, 765, 812, 834 June 20 adv. 153 942
U. S. Army:
Negotiated cost-plus contracts planned..n833
U. S. Army and Navy bill contains appropriations for construction..... n753
U. S. Chamber of Commerce meeting..... n627
U. S. Navy:
Negotiated cost-plus contracts planned..n833

W

Walls:
Ironton, Ohio, flood wall (unit prices).. 482
Making wall sound-proof. Michael Rettinger *723
Minneapolis improves its Mississippi Parkway system *344

WAR

Appropriations for additional military construction included in defense appropriation n837
Business against war. F. S. Bailey..... 1 9
Caution in contracting is war's warning. R. F. Proctor..... 808
Defense expansion plans shipbuilding program and munition plants..... n931
Engineer-architect census begun for defense construction n823
Engineering schools to be drawn into national defense program..... n839
Highway bridges under wartime. G. S. Paxson *98
Industry organizes for national defense. J. H. McGraw, Jr..... 811
Interregional highway plan. H. S. Fairbank *91
Loads and roads for war and peace. L. S. Tuttle *94
Money for navigation work measured by defense needs n767, n838
National Defense Research Committee named n838
New York contractors war risk protection n835
Producers Council plans war preparedness aid n754
Roads for national defense..... *85
WPA mobilization for defense starts.... n829

WASTES, INDUSTRIAL

Neches River pollution by Texas oil companies suit settled out of court..... n209
Notes on sewage disposal. Willem Rudolfs 44, 186, 398, 668, 810
Stream pollution bill passed by House..n342

WATER MAINS

Cement lining. J. E. Gibson..... 664
Corrosion control. H. T. Gidley..... 666
Springfield finds that depreciation of cast iron mains is related to actual service life 804
Wichita, Kansas, water mains (unit prices) 50
Water mains see also Pipes and pipe lines
Water meters:
Diagonal specials for meters. D. D. Gross *532

WATER POLLUTION

Boston organizes special pollution board.n483
Cleveland, Miss. water contamination suit paid by contractor..... n625
Interstate compacts for control of pollution in Ohio and Potomac River approved n934
Lake Michigan pollution to be reduced by sewage treatment plants in Indiana 384
London water of a by-gone day. M. N. Baker *512
New Mexico may sue Colorado over pollution n356
Ohio River is surveyed for pollution. E. J. Cleary *716
Ohio River pollution survey is made in trailer units and in boats..... *858
Spangler, Pa. water company guilty of criminal negligency n553
Stream pollution bill passed by House..n342
Water resources:
Water Policy Committee of N.R.P.B. to study cost allocation on projects..... n682
Water rights:
Colorado-Wyoming water division confirmed by high court..... n561
Laramie River dispute point won by Wyoming n355
North Platte River case presented for the Supreme Court..... n201

WATER SUPPLY

American Society of Civil Engineers discusses water problems..... 567
Austin, Tex. water distribution system (unit prices) 470
Birmingham's supply system in operation n67
Buffalo dries out its water supply..... n*67
Chicago's further diversion of Lake Michigan fought by six states..... n625
Colorado Springs fastens a pipeline on Pikes Peak. E. L. Mosley..... *518
Cross-connection control 802
Grand Rapids, Mich. constructing water supply project with Lake Michigan water ..... *448; correction 569
Harrisburg abandons filtered river supply and will pipe water from the hills. Farley Gannett .....*577; correction 633
Illinois seeks more water from the Great Lakes n73
Innovations in water supply practice..... 511
Inventory of water supply facilities—correction. C. G. Gillespie..... 1 80
Los Angeles Aqueduct maintenance for 26 years *784
Los Angeles—water supply for infiltration galleries.....May 9 adv. 98
Major projects of 1939..... *260
New York City:
Delaware Aqueduct design and construction. C. M. Clark. Pt. 1, *513; Pt. 2, *584; Pt. 3, *656; Pt. 4, *797
Water demands exceed yield..... n7
Oklahoma City votes money for system improvements n301
Pennsylvania towns face water shortage.n143
Philadelphia water system rehabilitation urged n219, n356
Rio Grande diversion canal at Rincon..*662
St. Ignatius, Montana water system (unit prices) 128
Sanitary engineering in 1939. E. J. Cleary *226
Toledo is replacing Maumee River with Lake Erie as a water supply..... *35
Toledo's water supply from Lake Erie controlled by surge devices. Hansen & Langdon *523
Toronto's new duplicate water supply to be idle until 1941..... n213
Waste from leakage..... 321
Water supply see also Pipes and pipe lines, Tunnels, Wells

WATER TREATMENT

Alga control in reservoirs of Illinois..... 397
Ashland, Ky. aids treatment of river supply with reservoir. J. P. Brownstead..*861
Break-point chlorination. A. E. Griffin.. 666
Break-point chlorination for taste control. W. J. Orchard..... *521
Chemical control of water weeds in Wisconsin streams 34
Chicago's filtration plant includes two-story settling and coagulation basins. L. D. Gayton..... *523
Cleveland constructs world's largest screen well for filtration plant..... n*754
Denver, Pa. installs ozone treatment to remove disagreeable odors and tastes. F. H. Dechant..... *516
Denver, Pa. to treat water with ozone... n63
Filter alum defined..... 329
Fish in San Francisco lagoon resist chemical poisoning effects..... 522
Iron and sulphur organisms. L. J. Alexander 666
Lansing, Mich. water softening plant...n*343
Los Angeles-Colorado Aqueduct progresses with water softening plant..... 524
Minneapolis water plant's cost..... n79
Modern hypochlorites. Logan & Savell.. 667
Ozone for water treatment. J. B. Klumpp..... *168, e153
Ozone to treat Philadelphia water.n200, n626
Sanitary engineering in 1939. E. J. Cleary *226
Silica removed from water with aluminum hydroxide 527
Slide rule devised for water calculations. 530
Stabilizers in water treatment..... 331
Sun ray counts save sulphate in treating Los Angeles water. R. F. Goudey..*525, e492
Toledo filter plant (unit prices)..... 211
Toledo is replacing Maumee River with Lake Erie as a water supply..... *35

WATER WORKS

Birmingham, Ala. filter plant in operation n*418
Code of waterworks practice is in the making e635
Drafting in the waterworks office..... 451
Evansville waterworks revamped following 1937 floods..... n*567
Flagstaff, Ariz. waterworks system bidding is protested by engineers..... n626
Kansas City pumping station. Timanus & Baldwin..... 665
Lansing's new plant. C. R. Erickson.... 665
Madison waterworks practices. L. A. Smith 531
Management deficiencies. R. E. McDonnell 667
New York Water Board chief engineer is now Charles Clark..... n483
Operating experiences at Illinois waterworks 397
Philadelphia plans to rehabilitate waterworks n547, n561
Springfield, Mo. water plant..... n*285
Water authority is responsible for damages if neglect can be proven. F. A. Marston 667
Water plant records, new line, and operation 26
Waterways:
Major projects of 1939..... *263

WELDING

All-welded machine shop frame designed for rapid erection. S. H. Newborn.....*445
Costs of welded mill building at Pittsburgh 158
Factory building frame of welded arch bents n*428
Lincoln Foundation plans welding award program n296
Plea for welding. J. F. Lincoln..... 1 702
Trusses, welded. Van Rensselaer P. Saxe.1 703
Welded building construction costs. G. D. Fish 920

WELLS

Depth detector of well casing. Hanford Thayer *531
Grand Rapids, Mich. uses wellpoints in constructing Lake Michigan water supply project *448
Groundwater situation still bad..... n631
Oklahoma city drills emergency wells... n209
World's largest screen well under construction at Cleveland..... n*754
Western Assn. of State Highway Officials:
Santa Fe, N. M. meeting..... n*690
Wharves and docks:
Mackinaw City, Mich. ferry pier (unit prices) 211
Providence, R. I. wharf (unit prices)... 672
Wire rope for construction..... *733-740
Wire rope see also Cables
Wood preservation:
Portland, Ore. old bridge redecked with treated timber *20
Works Projects Administration:
Appropriation bill before the House..... n697
Indiana WPA men convicted for misuse of labor..... n69
Mobilization for defense starts..... n829
Restrictions on size and cost of building projects removed in passing bill..... n755
Senate increases cost limit on building projects n841
Works Projects Adm. see also Public Works
